

6 Courses

**Python Programming
Fundamentals**

**Data Analysis and
Visualization with Python**

**Automation and Scripting
with Python**

**Web Development with
Python**

**Advanced Python
Development Techniques**

**Project Development in
Python**

Oct 11, 2025

Muhammad Naveed Qasim

has successfully completed the online, non-credit Professional Certificate

Microsoft Python Development

Prepare for a career as a Python developer and build in-demand skills with the Microsoft Python Development Professional Certificate. You'll learn core programming concepts, data analysis, web development, automation, and advanced techniques like AI integration and cloud computing. Through hands-on projects, you'll build a portfolio showcasing your ability to develop diverse applications, from web apps to data analysis tools and automation scripts.
